Self-Scoring Grid E1 S1 (rows 1-31)

Take the content area from the answer key's content-area table; competency and topic from each rationale.
Codes: KG knowledge gap, MQ missed qualifier, MF misread fact, G guess. One code per W row and per G-marked row.

Item	Content area	Competency	Topic	R/W	G mark	Code	Status

Progress Tracker

Fill this in after scoring each exam. The progress check at the end of Practice Exam 3, Section 2 reads from it.
By content area: correct count / item count x 100 (44 Values and Ethics, 39 Assessment and Planning, 39 Intervention and Practice).

Percent correct by content area	E1	E2	E3
Values and Ethics (44)			
Assessment and Planning (39)			
Intervention and Practice (39)			

Percent correct by competency	E1	E2	E3
Professional values and ethical decision-making			
Confidentiality, consent and legal duties			
Boundaries, conduct and supervision			
Human development, behavior and environment			
Assessment and diagnosis			
Risk			
Planning			
Intervention theories and models			
Intervention skills and methods			
The helping process			

Review targets by code (still open)	E1	E2	E3
KG knowledge gap			
MQ missed qualifier			
MF misread fact			
G guess
